What We Do For You

Keefe Transfer can help remove the stress and help you move to your new home. We have courteous and professional movers that will handle your belongings with great care. We are insured and licensed for complete peace of mind throughout your move.

We love what you love!

About Us:

Keefe Transfer started in 1912.

We are a locally owned moving and packing company that values being professional, dependable, and aware of how we move your treasured property.

A simply run family business with integrity and honesty in doing business the old fashioned way, with the belief that the customer comes first.

"You have my personal guarantee on your satisfaction!"
